

Here are three ways that you can access the Members Area. Try to set yourself up for the third method.

1. Via the monthly newsletter email

Each month, sometime around the 20th but the day can vary, the new Rambler is published and an email is sent to all members to alert them to the fact.

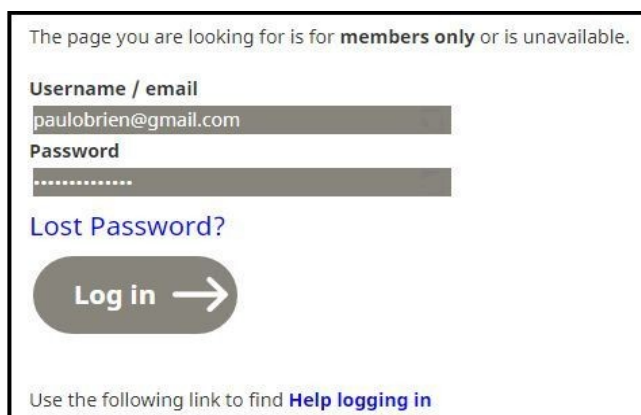

In the email will be a link to the **Members Area** which will be something like:

"The latest Rambler is now available to download from the [Members Area](#) of the website"

After clicking on this link you will be asked to log in.

If you have done this previously and have saved your password [or set up your mobile device to **AutoFill**] your details will be supplied by your browser - you may have to initiate the process by starting to enter your username.

Just click on **Log in**

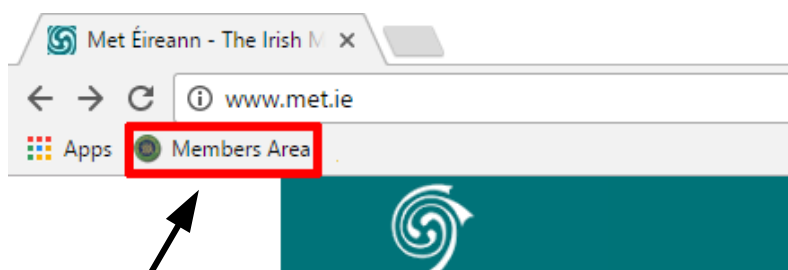

2. Typing www.theramblers.ie/members-area/ into your browser

By typing www.theramblers.ie/members-area/ into your browser's address bar you will also be asked to log in.

3. Using a bookmark to the Members Area

You may have followed the advice to set up a bookmark to the Members Area using the guide to [Bookmarking the Members Area page](#), having first found out **which browser** you are using.

If you have done this then you can get into the Members Area with only two clicks

Click here and then click on **Log in**, as **1** above

Downloading the Rambler

The Rambler newsletters are kept, as PDF files, in a collection/archive on the website.

This archive contains Ramblers from 1964 to the present

Rambler 1964-04
Rambler 1964-05
Rambler 1964-06
.....
.....
Rambler 20xx-09
Rambler 20xx-10

In the Members Area click on this link to the archive

Then click on [archive](#)

If you scroll down the page to the bottom of the list you will find the most recent Rambler

Click on the **Download icon**  on the left to see this Rambler.

You'll be able to print all or part of it or save the PDF file on your computer for later use.
